First year law students are typically under a good deal of academic pressure, and profit from every available study aid and learning tool. This brand-new set of flash cards will help them through their most rigorous courses. The cards are divided into three categories: Criminal Law, Torts, and Contracts. Terms and questions are printed on card fronts with Black letter law with theory, elements, definitions, and explanations on the reverse sides. Each of the 4 1/2" by 2 3/4" flash cards is designed with a punch hole in one corner. The hole accommodates a metal key-ring-style card holder enclosed with the set. Using the holder, students can arrange the flash cards in any sequence that suits their study needs.
