Bright Island

Mabel L. Robinson

Bright Island Mabel L. Robinson

Mabel Robinson's delightful coming-of-age story won a Newbery Honor in 1938 and garnered extraordinary praise from critics and readers alike.

Born and raised on Bright Island off the Maine coast, Thankful Curtis is more like her sea captain grandfather than any of her older brothers are. Nothing suits her better than sailing and helping her father with the farm. But when her dreaded sisters-in-law suggest that Thankful get some proper schooling on the mainland, the wind is knocked from her sails.

Thankful finds the uncharted waters of school difficult to navigate: there's a rocky reception from her rich roommate, Selina; the breezy behavior of the charming Robert; and stormy Mr. Fletcher, the handsome Latin teacher whose caustic tongue masks a tender heart. And while Thankful works hard to make the best of her new life, Bright Island continues to flash in her thoughts, like the sparkle of the sun on the water.

The *New York Times* raved, "One would be hard put to it to find a better contemporary novel than this," and now this evocative tale can be welcomed by a new generation of readers.

From the Hardcover edition.

From reader reviews:

David Wood:

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each e-book has different aim or perhaps goal; it means that book has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they get because their hobby is definitely reading a book. Consider the person who don't like reading a book? Sometime, man or woman feel need book if they found difficult problem or maybe exercise. Well, probably you should have this Bright Island.

Mary McDonald:

Information is provisions for individuals to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even a problem. What people must be consider if those information which is within the former life are challenging be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Bright Island as the daily resource information.

Lee Long:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Attempt to pick one book that you find out the inside because don't determine book by its cover may doesn't work here is difficult job because you are frightened that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer can be Bright Island why because the amazing cover that make you consider regarding the content will not disappoint you. The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly assist you to pick up this book.

Michael Anderson:

Do you like reading a book? Confuse to looking for your best book? Or your book had been rare? Why so many concern for the book? But virtually any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and Bright Island or perhaps others sources were given information for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher or even students especially. Those ebooks are helping them to add their knowledge. In other case, beside science guide, any other book likes Bright Island to make your spare time considerably more colorful. Many types of book like this.
