* A PG-13 YA paranormal adventure featured in PEOPLE Magazine *

Asher loved her and hated her,
risked his life to protect her and planned to rip her apart.

The moment Hailey stumbled into Asher's world,
he was corrupted by emotion.

And she had no idea the danger she aroused.

Hailey's dreams have always been, well...vivid. As in monsters from her nightmares follow her into her waking life vivid.

When her big sister goes missing, eighteen-year-old Hailey finds the only thing keeping her safe from a murderous 3,000-year-old beast is an equally terrifying creature who has fallen "madly" in love with her. Competing to win her affection, the Dream Creature, Asher, lures her to the one place that offers safety--a ParaScience university in Alaska he calls home. There, she studies the science of the supernatural and must learn to live with a roommate from Hell, survive her ParaScience classes, and hope the only creature who can save her from an evil immortal doesn't decide to kill her himself.
