## **Murder 101: Homicide and Its Investigation** Robert L. Snow

Of all crimes, murder fascinates the public more than any other. While considered a detestable act, for which society reserves its severest punishments, homicide still captivates the American public. But the way homicide and its investigation are depicted in our media fail to capture just how murders get solved. Here, Snow takes us on a tour of murder, its investigation, and its prosecution from the perspective of a seasoned homicide detective. From the commission of the crime to the collection of evidence, examination of the crime scene, roundup of suspects, interrogation, and resolution, he leads readers from the scene to the courtroom, stopping along the way to consider all the elements that go into a murder investigation. He considers the culprits, the motives, the victims and their families, and offers readers a glimpse into the actual techniques and methods used to solve real crimes. This volume will fascinate and inform anyone interested in knowing the truth behind the scene of the crime of murder.
