Murder Comes Ashore (The Patience Price Mysteries Series Book 2) Julie Anne Lindsey

Patience Price is just settling into her new life as resident counselor on Chincoteague Island when things take a sudden turn for the worse. A collection of body parts have washed up on shore and suddenly nothing feels safe on the quaint island.

Patience instinctively turns to current crush and FBI special agent Sebastian for help, but former flame Adrian is also on the case, hoping that solving the grisly crime will land him a win in the upcoming mayoral election.

When the body count rises and Patience's parents are brought in as suspects, Patience is spurred to begin her own investigation. It's not long before she starts receiving terrifying threats from the killer, and though she's determined to clear her family's name, it seems the closer Patience gets to finding answers, the closer she comes to being the killer's next victim.
