Scrapper

Matt Bell

Scrapper Matt Bell

For fans of *The Dog Stars* and *Station Eleven*, *Scrapper* traces one man's desperate quest for redemption in a devastated Detroit.

"Has the feel of Cormac McCarthy's *The Road* set in present-day Motor City... powerful."

—*Publishers Weekly*

Detroit has descended into ruin. Kelly scavenges for scrap metal from the hundred thousand abandoned buildings in a part of the city known as "the zone," an increasingly wild landscape where one day he finds something far more valuable than the copper he's come to steal: a kidnapped boy, crying out for rescue. Briefly celebrated as a hero, Kelly secretly avenges the boy's unsolved kidnapping, a task that will take him deeper into the zone and into a confrontation with his own past and long-buried traumas.

The second novel from the acclaimed author of *In the House upon the Dirt between the Lake and the Woods*, *Scrapper* is a devastating reimagining of one of America's greatest cities, its beautiful architecture, its lost houses, shuttered factories, boxing gyms, and storefront churches. With precise, powerful prose, it asks: What do we owe for our crimes, even those we've committed to protect the people we love?
