Complete summary of Charles Carlson's book: "Eight Steps to Seven Figures: The Investment Strategies Of Everyday Millionaires And How You Can Become Wealthy Too".

This summary of the ideas from "Eight Steps to Seven Figures" shows that ordinary working people can create a seven-figure net worth within their lifetimes solely through a long-term stock investment program - and without starting out with a large chunk of capital or any specialist expertise. To prove this, 170 people with investment portfolios greater than \$1 million were studied to learn the keys to their success. This summary highlights the eight steps these millionaires all had in common, such as “invest only in assets that always grow over time - which means stocks or mutual funds”, “accumulate steady gains year after year” or “take advantage of everything the government allows”. In other words this work demonstrates that nothing exotic is required to become wealthy. Drawing on real-world success stories, "Eight Steps To Seven Figures" offers you the best strategies adopted by millionaires.
