Video in classe con app e cloud (Italian Edition)

Simone Mazza

Video in classe con app e cloud (Italian Edition) Simone Mazza

Questo libro aiuta i docenti a lavorare a scuola con i filmati; fornisce una descrizione sintetica ma funzionale su alcuni strumenti utili a usare, modificare e produrre video per la didattica. In particolare, si sofferma sull'utilizzo di molte app per iPad (o tablet, in generale) e sulle piattaforme on line gratuite, lasciando da parte i software più costosi e pesanti. Una prospettiva didattica interessante, infatti, a prescindere dall'argomento "video", è quella dell'uso (quasi) estemporaneo di applicativi on demand, funzionanti su qualunque tipo di device e della condivisione dei prodotti attraverso i Cloud, sui quali vi è anche una succinta trattazione teorica.
