Catching Rainbows - A Love Story Thomas J. Stapleton

The 1970s was the decade between the Stonewall Inn Riots of 1969 (which began the Gay Rights Movement) and the start of the AIDS epidemic in 1981. Against this backdrop, gay men and lesbian women emerged from hiding as a wave of discovery and growing acceptance swept through the country. "Catching Rainbows - A Love Story" chronicles the journey of Jeff Palmer, a young gay man who comes out of the closet while a student at the University of Michigan in Ann Arbor. While dipping his toes into and out of the burgeoning Gay Rights Movement, Jeff explores this new world in search of a soul mate with whom to share his life and his love. Along the way he experiences heartache and betrayal as each of three relationships fails to fulfill his dream. His resulting bitterness toward gay relationships, which he labels an "oxymoron," leads him to play the field and eschew anything other than one night stands. When Jeff meets a handsome visitor from San Francisco, both of their lives are changed forever.
