## **Corporate Coaching: The Essential Guide** Sraban Mukherjee

Worldwide, organizations invest heavily on their employees to enhance their capabilities and manage growth and build competitive advantage. Through a comprehensive approach, **Corporate Coaching** shows how organizations can use coaching as a development tool to improve the effectiveness of employees at all levels of management. This book focuses on how to improve individual and organizational performance using coaching, develop the leadership pipeline and evolve a coaching culture.

The book is a 'How To' guide for corporate coaching, written primarily for human resource and learning and development professionals. It will help readers understand the nuances of corporate coaching and make better decisions in introducing coaching as an intervention for organization development. Sponsors or decision makers of coaching intervention can use the methods given in this book for measuring the return on coaching investment and evaluating the effectiveness of corporate coaching.
