Dirige tu vida: 1 (Spanish Edition)

Moises Ruiz González

Dirige tu vida: 1 (Spanish Edition) Moises Ruiz González

Toda esta obra gira en torno a la dirección, al liderazgo y a la consecución de objetivos sociales y personales. Pero no propone sólo métodos para lograr una situación más o menos brillante en una sociedad excesivamente jerarquizada y abandonada, en algunos casos, al desenfreno del consumo y del éxito, sino que su mirada es más interior, dirigida esencialmente hacia el principal proyecto personal que es uno mismo. Dirige tu vida pretende ser un faro en la vida de las personas. En momentos de confusión es bueno mirar hacia uno mismo, situarse, conocer cuál es el lugar por donde el camino se hace más llevadero. A través de metáforas, parábolas y ejemplos reales, propios o ajenos, el autor desgana tema a tema las realidades a las que hay que enfrentarse y expone las maneras para pasar por ellas pisando fuerte. La voluntad es una de las claves. Cada capítulo de este libro podría ser el espejo en el que quizás, si nos sintiéramos perdidos, nos gustaría mirarnos.
