Shadowman: Sunshine and Shadow (Kindle Worlds Short Story) Stuart Moore

Jack Boniface, the demon-hunting Shadowman, steals through the dark corners of New Orleans in search of the fabulously exotic Sunshine Diamond, a long lost treasure that may hold clues to the nature of his identity. But to find it he'll first have to get his hands around a second jewel – Fiera, a sexy, leather-clad scam artist who knows how to make inanimate objects, not to mention shadowy supermen, come alive.

In the course of his latest adventure, Shadowman battles the Brethren, the quasi-supernatural criminal organization that rules the Big Easy underworld. Once again he must outwit and outmaneuver mismatched sock-supervillains, the diminutive Shift and his giant man-mountain enforcer, Slab. They're chasing Fiera, too. Our hero figures he knows how to give his arch rivals the big kiss off. But he's not quite what to do when Fiera breathes fire into their first kiss.

A supernatural twist on a classic caper story, infused with a dark, smoky New Orleans' vibe, Shadowman: Sunshine and Shadow will appeal to any reader who isn't afraid of the dark side.

Praise for Stuart Moore's *The Nightmare Factory, Vol. 2*: "Deliciously bleak." - *Entertainment Weekly* "Spooky...if you like your horror multi-contextual and intellectual, this is right up your shadow-filled alley." - Ain't it Cool News.com
