Shakespearean Echoes (Palgrave Shakespeare Studies)

Shakespearean Echoes (Palgrave Shakespeare Studies)

Shakespearean Echoes assembles a global cast of established and emerging scholars to explore new connections between Shakespeare and contemporary culture, reflecting the complexities and conflicts of Shakespeare's current international afterlife. Shakespearean echoes appear in diverse genres and cultural forms, from pop music of the seventies through the writing of Toni Morrison, to the book and film of *Let the Right One In*. Chapters deal with digital Shakespeare, Shakespeare on the web, and the powerful echoes of Shakespeare to be found in such seemingly unrelated texts as the television program *Lost*, sports broadcasts, and *Game of Thrones*. Within those discussions certain Shakespearean texts (such as *Othello* or *Romeo and Juliet*) recur; likewise certain modes of popular culture (such as science fiction) reappear. The collection helps readers navigate the diversity of Shakespeare's legacy.
