The Gospel & Abortion (Gospel For Life) Russell D. Moore, Andrew T. Walker

The pro-life moment didn't begin in the 1960s, but in the Garden.

Abortion has been a divisive issue in American culture since the sexual revolution. Yet the Bible is an unapologetic defender of human dignity. Moreover, Christians have always cared for the unborn, the orphan, and the least among us. The time is now for this generation to reaffirm what believers have always believed: everybody is created in the image of God.

So, what now?

Editors **Russell Moore** and **Andrew T. Walker** of the Ethics and Religious Liberty Commission (ERLC) assemble leading voices to frame the issues with a gospel-centered perspective. The Gospel for Life series gives every believer a biblically-saturated understanding of the most urgent issues facing our culture today, because the gospel is for all of life.
