A favorite children's song becomes a colorful book filled with African wildlife

Also known as "The Green Grass Grew All Around," this popular song has been recorded by artists from Barney to Captain Kangaroo. Now "the prettiest tree that you ever did see" is a lovely acacia tree, where a baby starling is just about to hatch. Rachel Isadora gives children a fun, easy way to follow along with the cumulative lyrics by using rebus icons for the repeated words, as she did with *12 Days of Christmas*. Sheet music is also included, making this irresistible fun!
