Meshania: cátulo en la atlantida (Cajon de Sastre) (Spanish Edition) Néstor Amadeo Bruno Pérez

En la Península, un joven empleado de banca se ve envuelto en una serie de sucesos, más o menos casuales, que lo introducen en técnicas, ritos y conocimientos que jamás se había imaginado. En Canarias, una madura echadora de cartas del tarot sabe que sólo con un cierto grado de profundización podrá acceder a las enseñanzas, tradiciones y doctrinas secretas, reservadas a un restringido grupo de iniciados, que darán sentido a su vida. En la desaparecida Atlántida, una gobernadora que valora la Naturaleza y sabe que es necesario recuperar y unificar las tradiciones de todas las culturas y de todos los tiempos, se ve obligada a tomar decisiones políticas que afectarán de forma irreversible a su propio mundo...

Historias que parecen completamente desligadas por desarrollarse en diferentes planos y épocas, pero que confluyen y se entrecruzan, porque todos los Seres, la Naturaleza y el Universo están relacionados con vínculos reales y simbólicos que hay que descifrar. Una novela que no dejará indiferente a quien la lea, pues responde a dudas y preguntas que muchos hemos concebido en nuestros sueños. Una historia esotérica que es capaz de conectar el pasado con el futuro para explicar lo que está sucediendo a nuestro alrededor aquí y ahora.
