Stranger Rape: Rapists, Masculinity and Penal Governance Kevin Bonnycastle

Kevin Denys Bonnycastle's *Stranger Rape* is an in-depth study of the lives of fourteen men who raped women unknown to them. Using new data derived from official offender files, offender program observations, and the men's personal histories, Bonnycastle documents, compares, and contrasts their experiences from boyhood to adulthood and eventual incarceration.

Bonnycastle argues that stranger-rapists do not fit existing portrayals of them as predatory monsters or misogynist everymen. Instead, through an innovative approach that builds on research and theory from feminism, gender studies, critical criminology, and masculinity studies, she positions stranger-rape as a matter of experiences of pain and powerlessness rather than of male power and control. The book's major achievement is to recognize rapists and rape in their particularity and complexity in the hope that critical thinking about their lives and about their experiences in penal contexts and programs may eventually lead to what one respondent called his 'road to redemption.'

Please note that this book includes graphic content.

Katie Harper:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get lots of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely yes. People is human not really a robot. Then we ask again, what kind of activity do you have when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, often the book you have read is usually Stranger Rape: Rapists, Masculinity and Penal Governance.

Donald Warren:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Stranger Rape: Rapists, Masculinity and Penal Governance can make you feel more interested to read.
