This excellent introductory and reference book on Telecommunications Management Network explains various TMN concepts and various TMN architectures, interfaces, and reference points. An indispensable technical guide essential for managers, administrators, and technical personnel alike, this book gives full details on Operations, Administration, Maintenance, and Provisioning (OAM&P). TMN offers discussion on ASN.1 and GDMO as well as the TMN information model. It also explains several management protocols used in TMN, such as ACSE, CMISE, SNMPv1, SNMPv2, and SNMPv3.

Detailed TMN applications are covered throughout the book, such as TMN for wireless communications, SDH, ATM, and SONET. Allowing the reader to compare alternatives on other related topics such as CORBA, Java, and Web-based TMN, this book treats the reader to TMN management frameworks, challenges, and future trends. Udupa, author of the popular Network Management System Essentials, gives you a much-needed book -- required reading in the complex and competitive world of telecommunications.

We should have TMN: Telecommunications Management Network: Telecommunications Management Network (Mcgraw-Hill Telecommunications).

Wilda Baeza:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this TMN: Telecommunications Management Network: Telecommunications

Management Network (Mcgraw-Hill Telecommunications) can make you sense more interested to read.
