Charlotte, NC: The Global Evolution of a New South City William Graves Graves

The rapid evolution of Charlotte, North Carolina, from “regional backwater” to globally ascendant city provides stark contrasts of then and now. Once a regional manufacturing and textile center, Charlotte stands today as one of the nation’s premier banking and financial cores with interests reaching broadly into global markets. Once defined by its biracial and bicultural character, Charlotte is now an emerging immigrant gateway drawing newcomers from Latin America and across the globe. Once derided for its sleepy, nine-to-five “uptown,” Charlotte’s center city has been wholly transformed by residential gentrification, corporate headquarters construction, and amenity-based redevelopment. And yet, despite its rapid transformation, Charlotte remains distinctively southern—globalizing, not yet global.

This book brings together an interdisciplinary team of leading scholars and local experts to examine Charlotte from multiple angles. Their topics include the banking industry, gentrification, boosterism, architecture, city planning, transit, public schools, NASCAR, and the African American and Latino communities. United in the conviction that the experience of this Sunbelt city—center of the nation’s fifth-largest metropolitan area—offers new insight into today’s most pressing urban and suburban issues, the contributors to *Charlotte, NC: The Global Evolution of a New South City* ask what happens when the external forces of globalization combine with a city’s internal dynamics to reshape the local structures, landscapes, and identities of a southern place.

From reader reviews:

Judith Bode:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on earth always try to improve their skill in writing, they also doing some study before they write to the book. One of them is this Charlotte, NC: The Global Evolution of a New South City.

Gerald Morin:

Playing with family in the park, coming to see the ocean world or hanging out with buddies is thing that usually you might have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Charlotte, NC: The Global Evolution of a New South City, it is possible to enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't have it, oh come on its named reading friends.

James Haney:

Many people spending their moment by playing outside using friends, fun activity having family or just watching TV the whole day. You can have new activity to spend your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Mobile phone.
