## Red, Yellow, Blue (and a Dash of White, Too!)

*Splish! Splash! Sploosh!* A little girl is about to discover the wonders of mixing colors. With the sound of paint splatter, a bright blue elephant named EleBooyah enters the scene. She wants to help paint, too, and pretty soon the girl and her elephant are playing with all the colors of the rainbow. What do blue and yellow make? A funky green frog! And red and blue? An enormous purple octopus king! What other creatures are waiting for the splatter of paint on a brush to join the raucous painting party?

Charles George Esperanza's author/illustrator debut is a riot of color and magic. Esperanza's rhythmic stanzas and vibrant illustrations tickle the imagination, and this is sure to become a staple color book for kids across the country.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
