Dasha Gold enjoys a life of indulgence, made possible by her powerful and wealthy parents. But this privilege comes at a price - extreme image control, including cosmetic surgery to transform her into a living logo for their brand.

Presented with a way out, Dasha embarks on a hunt for the truth that takes her across a divided and CCTV-dominated city, in the company of maverick Londoner Latif.

But money talks and the Golds own the media. Who can Dasha really trust?

An exciting urban thriller, set in a media-controlled world that could be just around the corner . . .
