EXCERPT

I sit on the edge of the bed, shaking my head, trying to decide what the ____ to do about this situation.

‘Never screw with the crew’ goes the saying, but looking over her it's going to be seriously difficult to stop myself.

Her cocoa hair is spread out across the pillows, a departure from her usual ponytail. Her melon _____ are bigger than I remember, _____ painted pink and standing to the ceiling. She's on her back, her feet planted on the mattress and spread so I can see the milky rounds of her ____ cheeks.

This perfection has been right under my nose while I've been busying stuffing my ____ into mouths that are barely free of braces.

Savannah's only in her twenties herself, but she's *different*.

I'm so used to the domineering, must-control-everything tour manager that the submissiveness shown here is completely out of character.

Her large, turquoise eyes lift cheerfully. Her mouth remains expressionless stuffed with the gag, *and soon my* _____.
