## **Young Winstone** Ray Winstone

Ray Winstone's amazing talent for bringing out the humanity buried inside his often brutal screen characters - violent offender in *Scum*, wife-beater in *Nil by Mouth*, retired blagger in *Sexy Beast* - has made him one of the most charismatic actors of his generation. But how do these uncompromising and often haunting performances square with his off-duty reputation as the ultimate salt-of-the-earth diamond geezer?

The answer lies in the East End of his youth. Revisiting the bomb-sites and boozers of his childhood and adolescence, Ray Winstone takes the reader on an unforgettable tour of a cockney heartland which is at once irresistibly mythic and undeniably real. Told with its author's trademark blend of brutal directness and roguish wit, *Young Winstone* offers a fascinating insight into the social history of East London, as well as a school of hard knocks coming-of-age story with a powerful emotional punch.
