*The life of a vampire's live-in food supply is never long.*

Richard is a modern vampire who likes to eat in. That's why he always keeps a fresh victim trapped in his home. All of his captives eventually die; Lenore hopes to be the first to escape.

Life at Richard's is short but never dull. Not with Richard's vampire friend, Paul, constantly popping in. Paul loves toying with Richard's victims before they die. But is Paul getting too attached to his plaything? His human servant, Charles, certainly thinks so. Charles is next in line to be turned and wants to eliminate the competition.

If Charles's schemes don't kill Lenore, then Richard's hunger surely will. Lenore has a plan to survive, but someone will have to die in her place. She now has something terrible in common with her captor: she must kill in order to live.
