**Ossi - Storia, arte, cultura: 2 (Storia della Sardegna) (Italian Edition)** Marcello Derudas

Ossi. Storia, arte, cultura. Sono queste le tre chiavi che permettono di aprire le porte misteriose della storia di Ossi, un importante centro in provincia di Sassari in Sardegna, che ormai sembrava perduta e di non troppa importanza, specie per la parte medievale, moderna e contemporanea. La storia del paese e del suo territorio viene per la prima volta sviscerata, grazie ad una attenta analisi delle fonti e a moltissime ricognizioni in loco; tutte le opere d'arte che ospita o ospitava sono allo stesso tempo analizzate meticolosamente, con somma attenzione verso i dettagli: niente viene lasciato al caso, perché tutto è storia, anche le semplici minuzie. È un libro di cultura, perché è come una grande lente attraverso la quale si vede un paese diverso, non omologato agli altri come potrebbe sembrare attualmente ma originale, una "cittadella indipendente" quasi, con i suoi grandi nomi, i nobili, i religiosi, la folla di artisti che vi hanno lavorato nei secoli. Tuttavia si parla anche della sua gente, delle sue tradizioni, del suo forte sentire religioso. Mille vite sono racchiuse in questo libro, e tutte parlano. Ascoltiamole. (www.logus.it)
