*William Shakespeare*

**Taming of the shrew** William Shakespeare  
Tranio, since for the great desire I had  
To see fair Padua, nursery of arts,  
I am arrived for fruitful Lombardy,  
The pleasant garden of great Italy;  
And by my father's love and leave am arm'd  
With his good will and thy good company,  
My trusty servant, well approved in all,  
Here let us breathe and haply institute  
A course of learning and ingenious studies.  
Pisa renown'd for grave citizens  
Gave me my being and my father first,  
A merchant of great traffic through the world,  
Vincetino come of Bentivolii.  
Vincetino's son brought up in Florence  
It shall become to serve all hopes conceived,  
To deck his fortune with his virtuous deeds:  
And therefore, Tranio, for the time I study,  
Virtue and that part of philosophy  
Will I apply that treats of happiness  
By virtue specially to be achieved.  
Tell me thy mind; for I have Pisa left  
And am to Padua come, as he that leaves  
A shallow plash to plunge him in the deep  
And with satiety seeks to quench his thirst.
