**An Introduction to Theology in Global Perspective (Theology in Global Perspectives)** Stephen B. Bevans

Offers a comprehensive guide to doing theology as part of the Catholic ecclesial community in today's globalized world. An Introduction to Theology in Global Perspective emphasizes that theology is an activity, a process that is anchored in Scripture but interpreted by ecclesial tradition and the magisterium. This theology is rooted in the experience that divine is found in a sacramental world and community. This book also describes a systematic theology as reflection upon the church's central teachings on creation, sin, redemption, the Trinity, anthropology, ecclesiology, salvation, and eternal life.
