--**Jim Wallis**, president and CEO, Sojourners; author, *On God's Side: What Religion Forgets and Politics Hasn't Learned about Serving the Common Good*

"Ron Sider, the founder of Evangelicals for Social Action, sets forth in this book ways in which Christians can work for justice with the political systems of our day. Drawing on his extensive scholarly research and his lifetime of activism, he provides a scenario that can assist Christians who want to responsibly implement biblical principles in the decisions of government. Those who want to know how to make informed statements in response to the crucial issues of these perilous times will find this book an invaluable guide. Ron Sider writes with clarity and conviction. This book deserves praise!"

--**Tony Campolo**, Eastern University

"Ron Sider builds on years of experience and conversations with Christians across a very wide spectrum. His balance is better than that of most who want to influence politics for the better. And biblical faith is the solid platform on which he builds and balances. Listen to Ron carefully before taking your next step. *Just Politics*: that's what we need."

--**James W. Skillen**, former president, Center for Public Justice
