Dolly Parton once said, “Find out who you are and do it on purpose.” Many people today are coasting on autopilot, with no passionate connection to the routine work they do day in and day out. The good news is that it doesn’t have to be this way. In *The Passion Belief Method*, entrepreneur success strategist and in-demand life and business coach and speaker Megan Tull offers practical exercises and methods to help you find your gifts and turn them into work you can be truly passionate about. Megan, who became a single mother after being widowed at an early age, used her passion for raising her young son as the starting point for creating a business that allowed her to stay closer to home but to also triple her income in the first year. Megan leans on her experiences to teach you her 5-Step Passion Belief Method to achieve an empowered self. Filled with recognizable true stories from Megan’s many clients and inspiring quotes from other high achievers, speakers, and writers, *The Passion Belief Method* will teach you how to unlock your inner gifts, overcome your fears, and visualize what you want and who you’ll be when you have it—then bring that into being.
