The White Mandarin

Dan Sherman

The White Mandarin Dan Sherman

John Polly enters Shanghai in 1948 on a muggy, velvet evening, just in time for the Communist takeover of China. It marks only his fourth month in America's newly formed Central Intelligence Agency. Over the next two decades, Polly will become *The White Mandarin*, a double agent buried so deep within the inner circle of the People's Republic as to shape the futures of both that nation and his own.

Dan Sherman's intricate, superbly crafted spy thriller follows Polly as he walks a dangerous tightrope of intrigue and suspense. As China rebuilds itself, Polly attempts to start a family in the intersection between the American intelligence system and the Asian drug trade. Can Polly keep his wife and daughter safe? Can he keep track of the shifting stories and changing allegiances in the CIA? Will his emotion get in the way of his mission?

Only pages into this stunning novel, readers will easily understand why Sherman has earned comparison to the great John le Carré and Graham Greene. It is both a story of very personal love and loss, and an insightful history of China between the rise of Chairman Mao and the 1972 visit by President Nixon. Anyone looking to understand the China of yesterday and today—its power, its flaws, its beauty—need look no further than *The White Mandarin*.

From reader reviews:

Evan Reyes:

The book The White Mandarin can give more knowledge and also the precise product information about everything you want. So why must we leave a good thing like a book The White Mandarin? Wide variety you have a different opinion about e-book. But one aim that will book can give many facts for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or details that you take for that, it is possible to give for each other; you can share all of these. Book The White Mandarin has simple shape but the truth is know: it has great and large function for you. You can search the enormous world by start and read a book. So it is very wonderful.

James Sanford:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with training books but if you want sense happy read one using theme for entertaining for example comic or novel. The particular The White Mandarin is kind of book which is giving the reader erratic experience.

Tia Sargent:

Reading a book can be one of a lot of pastime that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a book will give you a lot of new data. When you read a book you will get new information since book is one of many ways to share the information as well as their idea. Second, studying a book will make you more imaginative. When you studying a book especially tale fantasy book the author will bring someone to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to others. When you read this The White Mandarin, you could tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a e-book.

Charles Wagoner:

Playing with family in a very park, coming to see the marine world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The White Mandarin, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't buy it, oh come on its known as reading friends.
