The heart of the book is a directory of member schools, providing for each one the following information: a summary of application procedures; requirements for application and residency; prerequisites for admission; deadlines for each component of the application process; description of campus and campus life; and cost of tuition and fees. Full-page spreads provide a complete profile of the different campuses and clearly lay out all the details you need to select the school that matches your needs best.

Additional information includes an overview of the Veterinary Medical College Application Service (VMCAS), information about the accreditation of veterinary schools and professional licensure as a veterinarian, a helpful timeline for aspiring vets from high school onward, and firsthand accounts from current students and practitioners about what it's like to train as a vet.
