Belief in God: An Introduction to the Philosophy of Religion T. J. Mawson

Belief in God answers two questions: What, if anything, is it that Jews, Christians, and Muslims are agreeing about when they join in claiming that there is a God? and What, if any, prospects are there for rationally defending or attacking this claim? A highly accessible and engaging introduction to the philosophy of religion, this book offers full coverage of the key issues, from ideas about God's nature and character to arguments for and against his existence. Author T. J. Mawson makes striking new claims and defends or attacks established positions in original ways. His conversational style, lively wit, and enlightening examples make *Belief in God* simultaneously instructive, thought-provoking, and enjoyable to read.
