What's on your menu for lunch today? A wicked tryst perhaps?

Natasha Spencer hungered for her boss, RT Brace, but the hunk of a man didn't know she existed. Then again few at his advertising firm knew anything about the mysterious and very wealthy man. During one luncheon adventure with a friend she was coerced into picking out a few naughty pieces at Victoria's Secret meant for seduction. A brazen hussy she wasn't, but the sultry lingerie was just what she needed to fuel her fantasies. After their adventure they enjoyed a late lunch and prepared to return to work. When Natasha pulled out her credit card to pay the bill she was shocked – it was not only declined but also reported stolen. To her horror the restaurant manager called the police. As she was led away in handcuffs and directly to a waiting limousine she realized she'd been duped. When the man of her dreams opened the door, offering a tasty way of paying off her debt, she knew she couldn't refuse. Eyeing the chocolate-laced manager as a third, Natasha knew a dirty little lunch was in the making.

Re-released with all new material.
