Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care)

Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care)

Sharpen your social work in health care knowledge and skills

Social Work, Health, and International Development: Compassion in Social Policy and Practice presents leading international experts from a range of disciplines providing the latest in research, theory, and practical solutions to advance social work in health care issues. Readers get a refreshed view on ways to put social policy into a compassionate and empathetic framework with strategies to more effectively meet today's challenges in social work and health care. This superb selection of papers from the Fourth International Conference on Social Work in Health and Mental Health held in Quebec provides a unique perspective on social work and the development of a more compassionate world.

Social Work, Health, and International Development: Compassion in Social Policy and Practice focuses on areas essential to every social worker no matter where they practice. The book explores the increased importance of compassion and solidarity among social workers, the essential need to effectively address the HIV/AIDS pandemic, strategies to more fully address aging issues, and best practices. The latest research findings and data are discussed to modify approaches and revitalize the field, all to help the world become a more caring, compassionate place.

Topics in Social Work, Health, and International Development: Compassion in Social Policy and Practice include:

- social work interventions to lead needy countries from health to economic growth
- the concept of solidarity as a fundamental notion in social work
- the need to revisit social work's ethical foundations
- cultural competence in responding to the HIV/AIDS pandemic
- a comprehensive action plan to deal with HIV/AIDS
- a study on grandparents' caring for children of AIDS victims
- multilevel interventions to promote elderly people's mental health
- forming partnerships that promote the diverse voices of older people
- recognizing deficiencies to increase cultural competency in staff
- "best practice" case management approach to improve patient adherence to care

- Internet-based intervention for caregivers of persons with dementia
- dyadic peer support pilot intervention for parents of children with lung disease
- continual education for increased professional competence
- much more!

Social Work, Health, and International Development is invaluable reading for social workers, health practitioners, researchers, and clinicians.

From reader reviews:

James Blouin:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their sparetime with their family, or their own friends. Usually they accomplishing activity like watching television, gonna beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? May be reading a book may be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the book untitled Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care) can be fine book to read. May be it is usually best activity to you.

Scottie Kelly:

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both lifestyle and work. So , whenever we ask do people have free time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading publications. It can be your alternative inside spending your spare time, the particular book you have read will be Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care).

Effie Phillips:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care), you can enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

Patricia Beall:

Your reading 6th sense will not betray you actually, why because this Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care) publication written by well-known writer whose to say well how to make book that can be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still question Social Work, Health, and International Development: Compassion in Social Policy and Practice (Social Work in Health Care) as good book not merely by the cover but also by the content. This is one e-book that can break don't determine book by its cover, so do you still needing one

more sixth sense to pick this kind of!? Oh come on your examining sixth sense already alerted you so why you have to listening to another sixth sense.
