The Oxford Handbook of Atheism (Oxford Handbooks)

Stephen Bullivant, Michael Ruse

The Oxford Handbook of Atheism (Oxford Handbooks) Stephen Bullivant, Michael Ruse

Recent books by, among others, Sam Harris, Richard Dawkins, and Christopher Hitchens have thrust atheism firmly into the popular, media, and academic spotlight. This so-called New Atheism is arguably the most striking development in western socio-religious culture of the past decade or more. As such, it has spurred fertile (and often heated) discussions both within, and between, a diverse range of disciplines. Yet atheism, and the New Atheism, are by no means co-extensive. Interesting though it indeed is, the New Atheism is a single, historically and culturally specific manifestation of positive atheism (the that there is/are no God/s), which is itself but one form of a far deeper, broader, and more significant global phenomenon.

The Oxford Handbook of Atheism is a pioneering edited volume, exploring atheism?understood in the broad sense of 'an absence of belief in the existence of a God or gods'?in all the richness and diversity of its historical and contemporary expressions. Bringing together an international team of established and emerging scholars, it probes the varied manifestations and implications of unbelief from an array of disciplinary perspectives (philosophy, history, sociology, anthropology, demography, psychology, natural sciences, gender and sexuality studies, literary criticism, film studies, musicology) and in a range of global contexts (Western Europe, North America, post-communist Europe, the Islamic world, Japan, India). Both surveying and synthesizing previous work, and presenting the major fruits of innovative recent research, the handbook is set to be a landmark text for the study of atheism.

From reader reviews:

Danny Nehring:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each reserve has different aim or perhaps goal; it means that guide has different type. Some people experience enjoy to spend their time and energy to read a book. They may be reading whatever they acquire because their hobby will be reading a book. How about the person who don't like reading through a book? Sometime, particular person feel need book once they found difficult problem or maybe exercise. Well, probably you will need this The Oxford Handbook of Atheism (Oxford Handbooks).

Joshua Mack:

Reading a book can be one of a lot of pastime that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new data. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information or maybe their idea. Second, reading through a book will make an individual more imaginative. When you reading a book especially fictional works book the author will bring you to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other individuals. When you read this The Oxford Handbook of Atheism (Oxford Handbooks), you could tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a publication.

James Roberts:

This The Oxford Handbook of Atheism (Oxford Handbooks) is great book for you because the content that is certainly full of information for you who also always deal with world and get to make decision every minute. That book reveal it details accurately using great organize word or we can declare no rambling sentences within it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having The Oxford Handbook of Atheism (Oxford Handbooks) in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen small right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt in which?

Diane Welton:

In this era which is the greater man or woman or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple solution to have that. What you should do is just spending your time not very much but quite enough to have a look at some books. Among the books in the top record in your reading list is usually The Oxford Handbook of Atheism (Oxford

Handbooks). This book and that is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking right up and review this guide you can get many advantages.
