The Pregnancy Test (9 Months Later) Susan Gable

Tick. Tock.

Fifteen-year-old Brook Thompson is scared to death. The test confirmed it. She's pregnant. Those two little lines have changed her life. But what really has her freaked out is how to tell her dad.

Tick. Tock.

Jenna Quinn doesn't do kids. She prefers a life free of responsibility and only dates men who are very single. Unfortunately, she can't resist her new neighbor—a man with two kids. And when her queasy stomach turns out to be more than last night's bad Chinese food, Jenna has to quickly face the fact that she's going to have a kid of her own.

Time's up.

Great. Two pregnant women, pumped full of whacked-out hormones, pulling Sloan Thompson in opposite directions. How will he ever survive the next nine months?
