Crazy Brave: A Memoir Joy Harjo

“Compressed . . . lyrical . . . unflinching . . . raw. . . Harjo is a magician and a master of the English language.”—Jonah Raskin, *San Francisco Chronicle*

In this transcendent memoir, grounded in tribal myth and ancestry, music and poetry, Joy Harjo, one of our leading Native American voices, details her journey to becoming a poet. Born in Oklahoma, the end place of the Trail of Tears, Harjo grew up learning to dodge an abusive stepfather by finding shelter in her imagination, a deep spiritual life, and connection with the natural world. She attended an Indian arts boarding school, where she nourished an appreciation for painting, music, and poetry; gave birth while still a teenager; and struggled on her own as a single mother, eventually finding her poetic voice. Narrating the complexities of betrayal and love, *Crazy Brave* is a memoir about family and the breaking apart necessary in finding a voice. Harjo’s tale of a hardscrabble youth, young adulthood, and transformation into an award-winning poet and musician is haunting, unique, and visionary.

Henry Taylor:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Crazy Brave: A Memoir can make you truly feel more interested to read.
