## Girls, Women, and Crime: Selected Readings

What characterizes women's and girls' pathways to crime?

**Girls, Women, and Crime: Selected Readings, Second Edition** is a compilation of journal articles on the female offender written by leading researchers in the fields of criminology and women's studies. The contributors reveal the complex worlds females in the criminal justice system must often negotiate—worlds that are frequently riddled with violence, victimization, discrimination, and economic marginalization. This in-depth collection leaves readers with a greater understanding of the complexities and nuances of the relationship between girls and women and crime.
