Seconda stella a destra... (Italian Edition)

Maurizio Bonanno

Seconda stella a destra... (Italian Edition) Maurizio Bonanno

Maurizio Bonanno propone un'interessante disamina sulla società attuale e su quello che in particolare alcune generazioni stanno vivendo, che si amplia in una più particolareggiata riflessione che abbraccia vari campi, dall'informazione alla politica, per poi occuparsi specificamente del Sud e in particolare della Calabria.

A completare l'opera, in appendice una serie di articoli/editoriali pubblicati dall'autore su giornali da lui diretti: liber@mente e corriereweb.net

Lo scrittore dà ampia dimostrazione di cultura e abilità narrativa; il suo lavoro appare interessante non solo per i contenuti, ma anche per le modalità con cui sono composti i capitoli (notevole è la riflessione sulle odierne generazioni che possono esprimersi liberamente e con ampi mezzi, ma in fondo non è tutto così roseo, e sulle "condizioni" dell'informazione).

L'opera, poi, spazia su tematiche più generali che sono trattate con consapevolezza e profondità, anche quando vira sul particolare (come la situazione calabrese o il focus sull'opera di Alfredo Oriani e la proposta di un ambientalismo antropocentrico).
