The Ages of American Law: Second Edition (The Storrs Lectures Series)

Grant Gilmore

The Ages of American Law: Second Edition (The Storrs Lectures Series) Grant Gilmore

Following its publication in 1974, Grant Gilmore's compact portrait of the development of American law from the eighteenth century to the mid-twentieth century became a classic. In this new edition, the portrait is brought up to date with a new chapter by Philip Bobbitt that surveys the trajectory of American law since the original publication. Bobbitt also provides a Foreword on Gilmore and the celebrated lectures that inspired *The Ages of American Law*.

"Sharp, opinionated, and as pungent as cheddar."—*New Republic*

"This book has the engaging qualities of good table talk among a group of sophisticated and educated friends—given body by broad learning and a keen imagination and spiced with wit."—Willard Hurst
