Antonio Álvarez De La Rosa

El periplo canario de t'sertevens (Escala en Tenerife) (Spanish Edition) Antonio Álvarez De La Rosa
Albert T'Serstevens llega a Canarias a principios de los sesenta, es decir, cuando comienza el vértigo de nuestro desarrollo turístico. Interesa la fecha no sólo por el apunto biográfico, sino porque se encuentra con una Canarias que está en la transición entre el subdesarrollo y el incipiente despegue. Si bien es verdad que hemos sido objeto de la curiosidad viajera desde la noche de los tiempos, si ya desde finales del siglo XIX figuramos en el selecto mapa de ingleses y alemanes, lo cierto es que el despegue de la industria turística data de esos años. Visto desde hoy, es un momento crucial en el que se decide optar por un modelo determinado de crecimiento, la elección de un camino que nos ha conducido al atolladero actual.
