Can a moment of passion outlast years of secrets and misery?

For Julia Patterson, meeting Luke Buchanan awakens within her a passion she's never dared dream possible. He claims her body and helps her remember what it means to be a woman. But Fate has a twisted sense of humor. Just when Julia is ready to step over the threshold into a wonderful new life, her almost-ex-husband is diagnosed with a heart condition that puts her divorce on hold. Turning her back on Luke is the most difficult thing she's ever done. But Julia has a secret, one that Charles discovers and uses against her.

Years later, when Luke walks back into Julia's life, the passion between them is just as explosive. But Charles is still controlling her from the grave, and the secret Julia has hidden for fourteen years could destroy their dreams forever.
