Regan Flay has been talking about you.

Regan Flay is on the cusp of achieving her control-freak mother's "plan" for high school success?cheerleading, student council, the Honor Society—until her life gets turned horribly, horribly upside down. Every bitchy text. Every bitchy email. Every lie, manipulation, and insult she's ever said have been printed out and taped to all the lockers in school.

Now Regan has gone from popular princess to total pariah.

The only person who even speaks to her is her *former* best friend's hot but socially miscreant brother, Nolan Letner. Nolan thinks he knows what Regan's going through, but what *nobody* knows is that Regan isn't really Little Miss Perfect. In fact, she's barely holding it together under her mom's pressure. But the consequences of Regan's fall from grace are only just beginning. Once the chain reaction starts, no one will remain untouched...

Especially Regan Flay.
