Builders of the Pyramids and most ancient of all the powers of the biblical world, the Egyptians remain one of history's most fascinating and enigmatic peoples. During the New Kingdom era, Egypt reached the peak of its power, wealth, and territory. Through the intensive military campaigns of Pharaoh Thutmose III (1490-1436BC), Palestine, Syria, and the northern Euphrates area in Mesopotamia were all brought within the New Kingdom. Mark Healy outlines the history, organisation and dress of the New Kingdom Egyptians in this volume packed with accompanying illustrations and photographs, including 12 full page colour plates by the ever popular Angus McBride.
