**Book 1:** Claire Tandy is returning to her childhood hometown to bury her beloved mother. She gets more than she bargains for when she enters her childhood home and is transported back to memories of her mother vibrant and young and before her father abandoned them.

Claire is finding she's got a lot of issues she pushed deep down when she left all those years ago and the biggest one is guilt. She really wants to get in and out taking her grandmother with her and leaving behind her hateful sister and painful memories of Woodhaven.

Life has other plans for her in the way of an ex-boyfriend who comes back into her life and wants to make things work again. He's a billionaire now and could give Claire everything she is looking for. He could be worth giving up her big city job and her single ways, but it's hard to justify it when he broke her heart so many years ago. Whether he's sorry and trying to make amends it can't erase the hurt he's caused her in the past. His persistence is wearing her down but the knowledge she's still leaving isn't going to let her fall. Ryan has remained humble and sweet as pie despite being the richest man in town. It's not lost on her that he's a catch, but between learning her mother had a lot of secrets, meeting a man she didn't know existed, and trying to uproot her grandmother she has her hands full.

**Book 2:** Claire and Ryan get arrested for a moment of weakness. In the jail Claire finds out that things aren't what they seem to be with Ryan. It's happening all over again the falling in and out of madness with Ryan.

After all of the drama Claire seems to think she would have been better off staying in California. After constant arguments with her sister, and Ryan she is already more than ready to pack up and head to California with her Grandmother and leave everyone else in Woodhaven far behind. Gran falling into dementia sure has complicated the entire situation. Claire wasn't left anything decent in her mother's will, which made the whole journey basically useless. Besides getting closure and figuring out she really didn't know her mother like she thought she did has really got her out of sorts.

Just as she's about to get the hell out of Woodhaven car troubles strand her a little longer. Just when she wants to get the hell out of town someone she loves is hospitalized and an ex lover shows up to stir the pot. Things are getting crazier in Woodhaven.

**Book 3:** Claire and Brooke get some tragic news, and have to make a decision that might haunt them forever. Ryan discovers Lewis is hiding something very serious and made sure he paid to get to the bottom of it. When the unthinkable happens and Claire and Brooke are thrown into a spiral of despair Ryan offers up a solution for both of their sakes.

When Claire, Ryan, and Brooke go on vacation they enjoy each other in ways they never have before. Claire, and Brooke learn just how rich Ryan actually is. While on vacation, Claire makes a decision regarding

California, and Ryan. Life played a little trick on them and Ryan and Claire learn of some news that will change the rest of their lives forever. Are Claire and Ryan prepared for the future? Or will Claire be doomed to make the same mistakes her mother had?
