When antique dealer Kat Stanford stumbles upon the partially mummified body of a young woman in an abandoned wing at Honeychurch Hall, suspicion falls on those who had been living there many years ago. And it appears that the deceased had been murdered. Given her mother Iris's checkered past, Kat is not surprised to learn that Iris knew the victim.

Meanwhile, the unexpected appearance of former lothario Bryan Laney sets female hearts aflutter. Despite the passing years, time has not dampened his ardor for Iris, but the feeling is not reciprocated.

With stories of hidden treasure and secret chambers, past and present collide. As Kat becomes embroiled once more in her mother's mysterious and tumultuous bygone days, she comes to realize that life is never black and white, and sometimes it is necessary to risk your own life to protect the lives of the ones you love.
