Dive into the world of a girl named Hazel who must conquer obstacles dealing with love and betrayal to accept her Destiny.

"Unfortunately, my life is far from perfect; it is not a fairy tale with a happy ending. When I met the irresistible guys, John and Ryan, I had no idea that my life would change. It seemed after I met them, death opened its arms to the people around me. Betrayal knocked on the door of my heart and pain rested in it. It appeared that joy and romance stopped by only to say, "Hello" and vanished within days.

The most unbearable part of it all is that I cannot do anything but endure. I must avenge the people that I lost to Zaurus, and I must protect the people I love. It is not a choice . . . it is my Destiny.

- Hazel
