Essentials of Biology Sylvia Mader

Essentials of Biology is an introductory biology text for non-major students that can be used in a one- or two-semester course. It was prepared to engage today's students in the science of biology by providing a fundamental understanding of life. Throughout the text, multimedia assets and Connections boxes encourage the student to integrate scientific concepts into their lives. The text is fully integrated into McGraw-Hill's adaptive learning and Connect platforms, and is associated with a number of web-based assets that allow instructors to use this text as a content foundation for traditional, online, hybrid and "flipped" classrooms.
