Start today to transform your dreams into wonderful reality. . . .

Simon Potter was a "ragpicker" and salvager of human lives. When this wise and humble man departed from life, he left author Og Mandino a precious legacy: the distilled wisdom of his unique collection of the greatest books about self-motivation and success--books he called "hand of God" books because they seemed to have been written with God's hand guiding the author's own.

In this tender and inspiring book, Og shares with his millions of readers his old friend's bequest. It is nothing less than a blueprint for success, telling us in plain language exactly what we must do to mount the seven rungs of life's ladder--from material achievement and worldly success to the highest spiritual development. Whatever your most cherished dream may be, Og and his good angel Simon will show you the way to bring it within reach.
