Sean:

What begins as an early morning breakfast turns into a disaster zone when Sean's neighbor's house suddenly explodes. The concussion from the explosion blows out his windows and has him watching the local firemen as they rush to extinguish the blazing fire across the street. There is one fireman in particular that catches his eye. Figuring he might as well enjoy the view he continues to watch and fantasize as the muscular man works the hose. What he doesn't expect is that the fireman has noticed him as well.

Anthony:

Used to disasters he manages to keep his cool as he fights the blaze, what he can't keep his cool about is the hot next door neighbor that has been watching his every move. When the fire is extinguished and he's released from his duties he seeks out the man that has made him rock hard. He offers to help clean up the shattered glass, but he has other naughtier plans once he gets inside. Lucky for this firefighter, Sean is more than willing to let him suck and stretch him wide.

Anthony is going to fulfill Sean's every fantasy. Sean has always wanted a fireman, and now he's going to get every inch of his thick hose.
